

4 Mustard Seeds

Mat 13:31

Another parable put he forth unto them, saying, The kingdom of heaven is like to a grain of mustard seed, which a man took, and sowed in his field:

**Trust in God is faith. Judgement is a lack of faith. Everything in all of creation, and creations eternity is foreknown by God, therefore prejudged.*

**God, the Holy Spirit, Jesus, and all of creation are one. Separation is a product of false teachings. The soul chooses separation, not God.*

**Love is the basis of life. Negativity brings duality to life and the opposition of love. Yet condoned when understanding is from the perspective of choice to love, and growth in love from the duality of experiences. God states he is only love. He has no duality whatsoever, as well as never changes.*

**Freewill is absolute, all inclusive, eternal, and without constraints. Freewill is equal to all of creation under the auspices of God. A souls judgement, are judgement by ones own freewill.*
